WINE WORKING WONDERS

SPONSORSHIP OPPORTUNITIES

2021 Vintners Celebration

Consistently recognized as a top event producer, Classic Wines Foundation, formerly known as Classic Wines Auction, will host a fall celebration in honor of our dedicated and world-class wine industry.

This new event will offer a unique opportunity to associate with a unique food and wine experience and showcase your company or brand to guests, including food and wine enthusiasts, business, civic, and social leaders, entrepreneurs, and emerging business professionals.

Classic Wines Foundation events have raised over \$50 million to benefit more than one million individuals served by local nonprofit partners in the Portland, Oregon and Southwest Washington region over the past 37 years.

YOUR SUPPORT CHANGES LIVES

By supporting Classic Wines Foundation, you multiply your donation across three nonprofits serving children and families in our community.

These nonprofits have a collective impact on key social issues that:

- Disrupt the cycle of poverty
- Support early intervention and education
- End homelessness
- Empower women and families
- Narrow the achievement gap
- Transform youth development
